Aldrich alumni artist Sharon Louden will discuss her second publication, *The Artist as Culture Producer: Living and Sustaining a Creative Life*, Saturday, July 1, from 2 to 4 p.m., at the museum. The book is a collection of essays that describe how artists extend their practices outside of their studios.

Louden will moderate a conversation between Aldrich exhibitions director Richard Klein, and artists and book contributors Austin Thomas, Steven Dufala and Billy Dufala. A book signing and reception will follow. Free for members or with museum admission. More information at 203-438-4519, ext. 140 or edevoe@aldrichart.org.
